

FRESH NEW DESIGN.

SAME LOCAL BANK!

As part of our commitment to “Investing In You,” our website at www.fsbwaupaca.com is undergoing an exciting makeover and will soon be taking on a brand new look and design.

We will be adding a variety of innovative enhancements to improve your experience:

- Tablet- and mobile-friendly design
- New online banking
- Enhanced navigation to find information more quickly and easily

While Farmers State Bank's website will be changing, your bank remains exactly the same: locally owned, local decisions, financially secure and as friendly as ever!
